

The Science of CFS

Dr. Suzanne Vernon, Scientific Director, CFIDS Association
(www.cfids.org)

Virologist Suzanne Vernon, PhD, will discuss the CFIDS Association's innovative approach to research that is leading to effective treatment for ME/CFS (Myalgic Encephalopathy/Chronic Fatigue Syndrome) and progress at the Research Institute Without Walls. Learn what research has already uncovered about CFS and how it affects the human body.

Free -- No registration required

Saturday, November 9

2:00 pm
